aberdairegc@hotmail.co.uk*

Aberdare Golf Club will provide you with a first class Wedding experience. Our professional, friendly staff, top quality catering and outstanding views over the valley, will ensure a day to remember.

We have a range of packages which provide great value for money and ensure that the Wedding day itself is stress free and enjoyable for you. We understand that each wedding is individual and will endeavour to adapt packages to suit your needs.

Our dedicated Wedding planner will take care of all your requirements right up to the day and our in house wedding Coordinator will be on hand throughout the Wedding day to oversee every detail, leaving you free to enjoy your special day.

We have designed our packages to offer a range of choices for your special day, but these are only guidelines, our packages are there to simplify your planning but these can always be adapted to suit your needs.

Table linen and napkins are included in each package.

We have reserved an area near the Clubhouse with views over the course and the valley for that special photograph.
